

WE'VE GOT YOU COVERED

Our team is following the government guidelines issued by the CDC, state and local officials with regards to the ongoing situation of the coronavirus/COVID-19. Ensuring the safety of all exhibitors, attendees, and staff at our events is our top priority.

We are working as a collective industry to enable events and trade shows to open safely by following essential safety guidelines that adhere to the best medically backed scientific practices for the safety and well-being of attendees. Additionally, we are working with our travel partners, venues, hotels, and the Las Vegas Convention Center to protect your health and provide you with a safe and productive environment for you to conduct business.

OUR HEALTH & SAFETY PLAN IS BUILT ON 3 CORNERSTONES:

CLEANING & HYGIENE

What

Actions

Convention Center Cleaning

- The Las Vegas Convention Center was awarded Global Biorisk Council (GBAC) STAR facility accreditation. Considered the gold standard for safe facilities, the GBAC program was designed to control the risks associated with infectious agents, including the virus responsible for COVID-19.
- Select convention center staff members have achieved GBAC- TRAINED TECHNICIAN certification and educate and monitor LVCC staff in their cleaning and sanitization process.
- During event days, all touch points are sanitized every hour to 30 minutes based on activity in the area. All restrooms are fully sanitized either at the beginning of the shift or at the conclusion of the day.
- Improved ventilation throughout the facility by increased total air flow supply to occupied spaces, with a minimum of 16% of outside fresh air.

Booth Cleaning & Safety

- Ability to purchase cleaning kits, in-booth janitorial services and plexiglass for booths
- The Las Vegas Convention Center has set guidelines for sampling and food handouts
- Exhibitors are encouraged to clean and disinfect high touch point areas

Hand Sanitizers

- Hand sanitizer station locations at entrances, lobbies, bathrooms, and throughout the hall
